

2016 WNEPHA Dressage Rule Book

In an exciting expansion of the traditional horse show calendar, the Western New England Professional Horseman's Association (WNEPHA) has agreed to offer Year End High Point awards for **both English and Western Dressage classes**. This series of shows will be called the Western New England Dressage Series. The goal is to offer additional opportunities for professionals in the area to educate horses and riders in both disciplines and progress towards year end awards through an interactive series of horse shows.

Year end awards will be given in the following Non-Professional Divisions:

English:

- Intro Level
- Training Level
- First Level through TOC

Western:

- Intro Level
- Basic Level
- Level 1 through TOC

*Prizes will be given for divisions with more than 4 entries per division. In the event, that there are less than 4 entries in said division, a prize will still be given to the champion of that division, IF the champion's highest text score is 65% or above.

[*Please Note, we follow the 3 Barn rule as per ARTICLE XVII of the main WNEPHA Rule Book](#)

Professional Test of Choice: Professionals will choose their tests based on the horse's level of competition. There will be 2 separate Professional Year End Awards: one for the highest number of points for a horse/professional rider combination, another for the highest overall number of points for a professional, regardless of number of horses shown. For ease of scheduling, professionals will ride during classes based on their test level, but scored separately from the class.

Points: It is the rider's responsibility to ensure that dressage scores are submitted to the points secretary within two weeks of the horse show. Some shows are kind enough to send a results form from the show secretary to the points secretary, but in the event that the show doesn't offer this service, the rider must scan/take a photo of the completed dressage test with the judge's signature on the test and email to karry@emerald-glen.com. Only unedited scans or photos clearly showing the judge's signature, the test level, rider, horse, show and date will be accepted.

For ease of scoring, points will be awarded as a set point value for each score, instead of placings, in increments of 5 points, using the 7, 5, 4, 3, 2, 1 point system. Meaning scores of:

- 75% and up = 7 points
- 70%-74.99% = 5 points
- 65% - 69.999% = 4 points
- 60%-64.99% = 3 points
- 55%-59.999%=2 points
- 54.99% and below= 1 point

For year-end ties, we will break the tie based on the horse/rider combo's highest score of the entire year.
